The Principle and Reflection
on today's world

"Truly I tell you, whatever you bind on earth will be bound in heaven, and whatever you loose on earth will be loosed in heaven." /Jesus Matthew 18:18-20

"I tell you, keep asking, and it will be given you.
Keep seeking, and you will find.
Keep knocking, and it will be opened to you."

/Jesus Luke 11:9

The universe was created after the pattern of a human being, who is in the image of God's dual characteristics.

Therefore, the structure of the universe and every entity in it resembles that of a human being, which consists most fundamentally of mind and body.

Corresponding to the human mind and body, the universe consists of the incorporeal world and the corporeal world, both of which are real and substantial.

(Substantial; Law of Attraction, Power of Now,
Heavenly Law = Law of Indemnity)

EXPOSITION OF THE
DIVINE
PRINCIPLE

THE HOLY SPIRIT ASSOCIATION FOR THE
UNIFICATION OF WORLD CHRISTIANITY

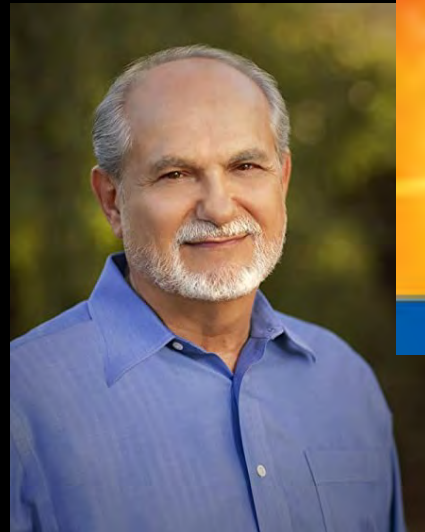

When someone strikes a righteous person unjustly, it sets a condition that must be repaid. Because of this repayment, the development of religion is secured.
Do you understand why persecution occurs?

The Physical and Spiritual worlds are a continuum; like melting ice with heat, the water will evaporate and the steam disappears to our eyes, but its still water in a different form.

Before I hope to master the universe, I must first achieve self-perfection. /SMM

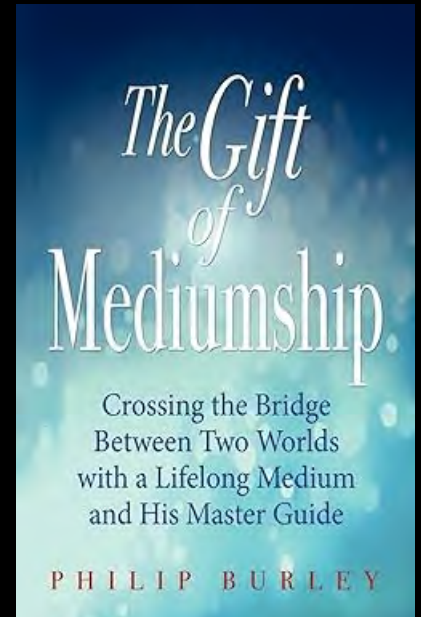

*Saint Germain, Through the
Mediumship of Philip Burley*

To
Master Self
is to
Master Life

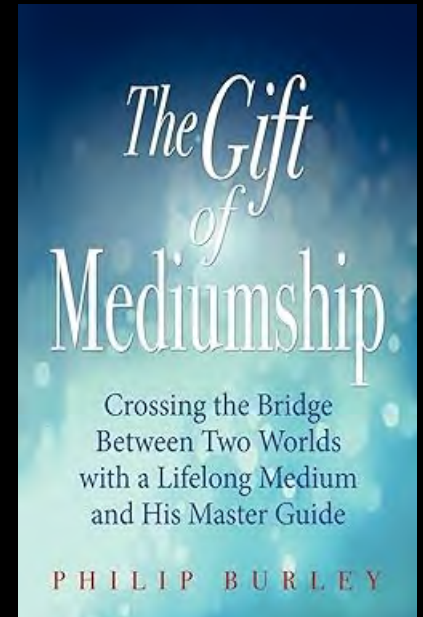

*Loving Words of Wisdom for Your
Spiritual Growth and Liberation*

Man does to a large, large extent create his/her own reality and does indeed experience **self-fulfilling prophecies**

”**Law of Attraction**” = The law of attraction is the spiritual belief that **positive** or **negative** thoughts bring positive or **negative** experiences into a person's life.

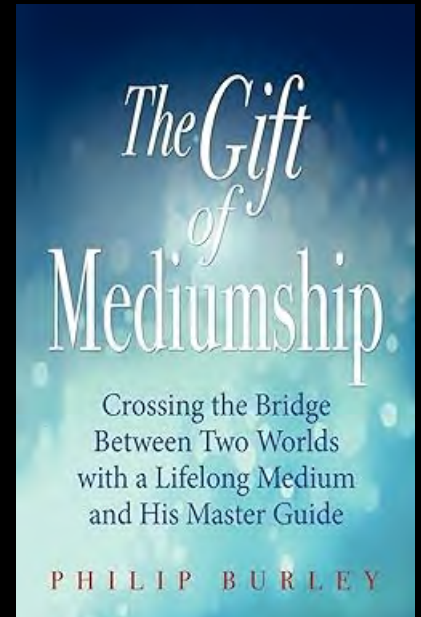

When the auric field is open, lower entities can come in and cause a person to be misinformed, confused, afraid, and even obsessed or possessed, so it is always good to pray and ask for spiritual protection. /Saint Germain

The first and most important thing you can do is to love yourself as you are, and don't try to change to conform to someones elses ideas of how or what you should be.

As many teachers have correctly said, it is not what happens to us that matters, but how we respond to it. /Saint Germain

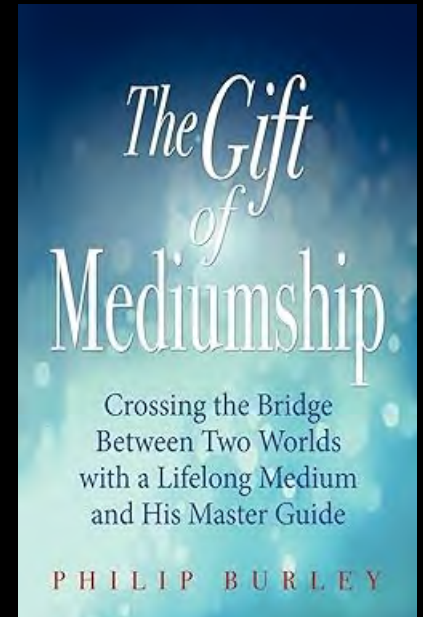

Meditation and Prayer

Those who learn to break through spiritually pray and meditate consistently, even if it means they have to stay away from what the majority of people are doing.

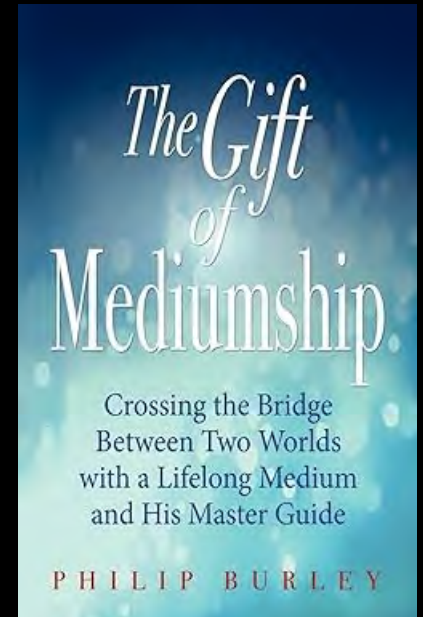

Meditation: Concentrate on your breathing say ex. AUM.

Prayer

True prayer requires persistence and patience.

Keep praying. Even the smallest prayer is adding to the reservoir of positive energy throughout the universe. Every little drop counts. If a billion people worldwide prayed sincerely and regularly, the reservoir would be overflowing, and the world would change overnight. /Saint Germain

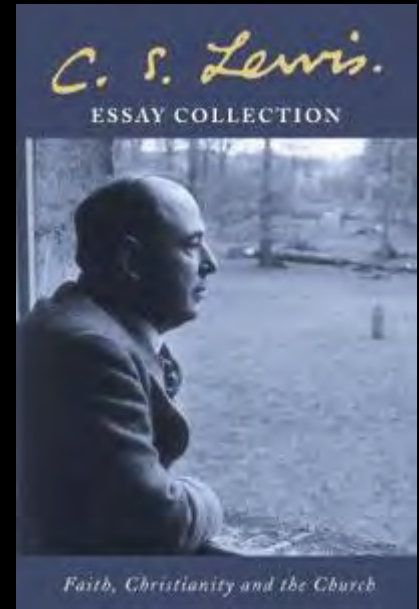

Q: What is the best way to prepare for the move from the earth plane to the spirit world?

SG: **Live before you die – really live!**

So many are standing in the shadow of other people, worried what others think or say.

Get over it! People are to busy thinking of their own lives to be worried what others think or say. Get over it!

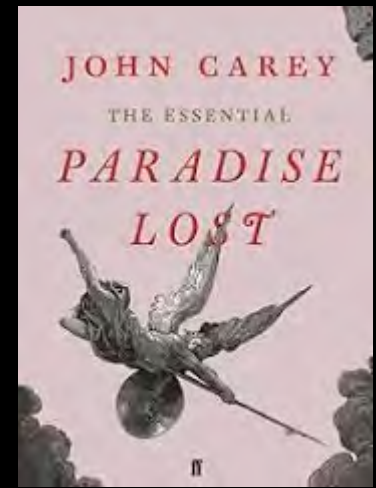

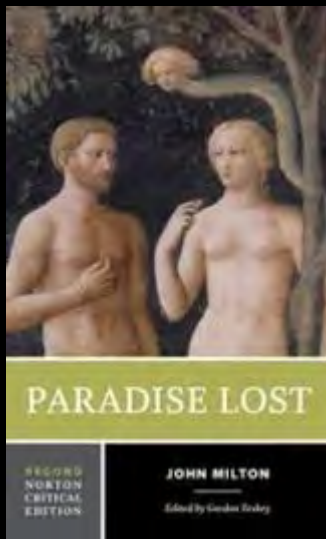

The Screwtape Letters (publ. 1947)

Disguised Demons: Screwtape reveals to Wormwood that demons strive to be concealed, unrecognized, and disbelieved by humans.

By disguising themselves, they promote worldliness, materialism, and skepticism.

(Comment: God and satans dark forces don't exist!)

Milton – Paradise Lost

Sex and sexuality between Adam and Eve in Paradise Lost is portrayed in two very different lights, before the fall, or prelapsarian, sex was seen as an intellectual act, a “mysterious law” that was deemed pure by God.

However, after the fall sex and sexuality between Adam and Eve, as well as their own personal views about themselves, each other, and God, is seen as a sinful and lustrous act.

EXPOSITION OF THE
DIVINE
PRINCIPLE

THE HOLY SPIRIT ASSOCIATION FOR THE
UNIFICATION OF WORLD CHRISTIANITY

Over time, the works of a good spirit will increase a person's sense of peace and righteousness and even improve his health.

The works of **evil spirits**, on the contrary, will gradually lead to an **increase of anxiety, fear and selfishness and cause his health to deteriorate.**

EXPOSITION OF THE
DIVINE
PRINCIPLE

THE HOLY SPIRIT ASSOCIATION FOR THE
UNIFICATION OF WORLD CHRISTIANITY

It may be difficult for someone who does not know the Principle to discern the works of spirits, but eventually, often belatedly, he will recognize the nature of the spirits by the fruits they bear.

Since a fallen person stands in the midway position between God and **satan** and relates with both of them, the works of a good spirit may be accompanied by the subtle influences of an evil spirit.

“The universe was created after the pattern of a human being, who is in the image of God’s dual characteristics.” /DP96

Conclusion: Fallen man and the World is a reflection of both

The Blessing

Since the 1980s, Reverend Moon has championed a "**Headwing Philosophy**" that incorporates the best element of the right and the left and based upon "**Godism.**"

Sun Myung Moon, The Way of Unification,
Section 6, Part II

Neither left-wing ideology nor right-wing ideology will work. Both in the left-wing world and right-wing world, Cain and Abel came into being. Who can bring unity there?

The left wing cannot do it, nor can the right wing.

Therefore, we conclude that we need a movement through which will bring together a new advanced right-wing type can be supported by the left-wing, and a new advanced left-wing type can be supported by the right-wing...

What we should uphold is the Headwing, not the left wing or the right wing. Then what is the Headwing?
It is "under Godism." The Headwing exists under God.

With Godism above Headwing, God and heaven above and the [parties of] the earthly world below are completely connected. In other words, humanists whose life is based on materialism need the concept of Headwing; they cannot object to that.

Religious people need Godism; with it they cannot dispute. These two words, "Godism" and "Headwing," are persuasive to two different types of people, religious people and secular people.

Headwing is a body-centered ideology that is necessary for humans to live in this world. Godism is an ideology based on spirit. Unificationism means to join these two, Headwing and Godism, into one, making a wholesome person...

Since humans came from the origin, God, as a motivation of the subject being, in order to bring total unity, we should connect that origin to our physical body. Otherwise, we can conclude that such unity is not complete.

Examples;

USA polarized Republicans and Democrats.

France polarized - latest election 2024!

Quote: [carnegieendowment.org](https://www.carnegieendowment.org/);

Polarization is tearing at the seams of democracies around the world, from Brazil and India to Poland and Turkey.

It isn't just an American illness; it's a global one.

Quote 1973 A. Brooke:

Send out telepathic messages that would reach people directly and the "commander in chief" who would send out these telepathic messages as the main transmitter would be Sun Myung Moon.

Referring to other telepathic communications received by Greta Ahlberg (Finnish medium), he said that they spoke of a great and sudden change in human consciousness, in the not too distant future. If humanity was not adequately prepared for this change, **terrible confusion and chaos would result.** (2024 a war-stricken world)
