American Clergy Leadership Conference Subregion 1 (Northeast) USA

The American Clergy Leadership Conference

*a special ACLC
Love Offering
to Mother Moon
for 21 years of leadership*

Dear ACLC Clergy, Pastors and Community Leaders,

How blessed we all have been over the past 21 years by the exemplary leadership and overflowing generosity of our co-founders, Father and Mother Moon! Don't you agree? So it makes perfect sense that at our recent 21st Anniversary gathering, we decided to turn the tables, so to speak, and raise a love offering to present to Mother Moon and give back to someone who has given us and all America, so very much!

What makes this love offering even more exciting is that Mother Moon is coming to America this June to participate in the "Peace & Blessing Festival" on June 5, 2021, airing at 6pm EDT. That means that we will be able to present the 21st Anniversary Love Offering to Mother Moon right here in America! How great is that!. She'll be so surprised and thrilled by this gift which represents our profound gratitude.

So let's offer cheerfully and gratefully to one who has been giving so much to us. Mother Moon, like her husband, has had the giving habit all her life of 78 years! Wherever she travels, she prayerfully observes the spiritual and material realities, and time and time again she bequeaths scholarships and grants to individuals, communities, villages and medical aid charities.

We ask that you consider making an offering of \$100 or more, or any amount from your heart. It will be more meaningful if you can offer your love before the June 5th event (or until June 4, 2021). Here's where you need to go to show your generosity:

May God Bless you all!

Yours most gratefully,
The ACLC Subregion 1 Team
