Dear brothers and sisters,

In order to sing along with the Longfield Gospel choir during the event we've put together some resources for you to make practicing them easy. Please see the following video links with the lyrics:

Every Praise

Shackles Mary Mary

Lord You Are Good

In addition, any young person who'd like to be part of the Praise Dancers at the event during the song 'Every Praise' can learn the very simple steps with the below tutorial.

Every Praise compilation: [vimeo.com/223856662](http://vimeo.com/223856662)

Since 'Every Praise' is the first song of the festival, all the dancers will start off on the floor and return to their seats after the song. Every dancer will be supplied with a t-shirt to wear during the event. We'll try to arrange some rehearsal time, so stay tuned!

And lastly, it never hurts to learn True Mother's current favorite song/dance Mu Jo Geong. Maybe there will be a chance to perform it as well:
