

WFWP USA: Inaugural WFWP Leadership Ceremony - Dr. Katarina Connery New President of WFWP USA

Kaeleigh Moffitt
May 20, 2025

Dear,

I want to share some important and exciting news with you regarding our leadership. Recently, I was asked by **Rev. Demian Dunkley** to take on a broader role in coordinating activities among some of our partner organizations—including **Women’s Federation for World Peace, Universal Peace Federation, and Youth and Students for Peace** — to help align and strengthen our shared goals and vision for peace and prosperity in this nation and world.

As I step into this expanded responsibility, I will continue to serve as **President of WFWP North America** and **Vice President of WFWP International**. I will remain deeply involved in overseeing our regional work, including WFWP USA, but will now entrust the national leadership of WFWP USA to someone I believe is exceptionally prepared for this time.

It is with great joy and confidence that I announce the appointment of Dr. Katarina Connery as the new President of WFWP USA and Vice President of WFWP North America.

Katarina brings over a decade of experience within WFWP, leading with a deep heart of service, clarity, and a genuine love for our mission and members. I truly believe this is her destiny and am so excited for how things will unfold under her leadership. I know she will carry this work forward with strength, sincerity, and spiritual sensitivity.

I recognize that for some, this transition may come as a surprise. This is a time of great change and expansion in our wider movement. I sincerely hope that you will take time to pray, reflect, and witness how Heaven is guiding us in response to the needs of this moment. Change can be challenging, but I believe it is also a beautiful opportunity for renewal and greater alignment with the providence.

To mark this new chapter, we warmly invite you to a virtual **Inaugural Leadership Ceremony on Thursday, May 22 at 9:00 PM EST**. This will be a time to come together in unity, discuss how this leadership change will impact our work and activities, hear directly from Katarina, and move forward in faith and solidarity.

With love and gratitude,
Kaeleigh Moffitt
