SCHOOLS SERVED: 6 SCHOOLS IN 5 COUNTRIES

TOTAL RAISED: \$687,000+

**DID YOU KNOW**...UNESCO reports 59 million primary age children are out of school, with 54% in Africa.

**Schools of Africa Project:** In the early 90s, WFWP Japan launched international cooperation activities by Japanese overseas volunteers to serve all over the world. With willing hearts, these women went to nations with the greatest need and to neighborhoods in every corner of the world. They started schools, supported opportunities of education for those in need, and created opportunities for women and girls to build a promising future.

Inspired by their dedication, WFWP USA initiated the "Schools of Africa" project in 2001 to financially support 9 schools in 8 African countries founded by those faithful volunteers.

## YOUR DONATIONS MAKE A DIFFERENCE:

Since 2001, WFWP USA has sent over \$687,000 to these schools, which have empowered 24,000+ African graduates through education since 1994, and continues to enroll nearly 2,000 per year thanks to your support!
