

WFWP USA Schools of Africa Summer Fundraiser - Will you be part of the impact

Dear,

Time is running out, but the opportunity to change a life is still in your hands. As the **Schools of Africa Summer Fundraiser** comes to a close, we want to thank you for walking with us on this journey across **Mozambique, Kenya, Rwanda, Liberia and Guinea-Bissau**. You've heard the powerful stories. You've seen the progress. And now, with just a short time left, we're inviting you to make a **final donation that will go directly toward classrooms, training centers, clean water, and hope**.

Here's what your support means:

In **Mozambique**, your gift helps install water tanks and repair essential school equipment so students and teachers can learn and teach with dignity.

In **Kenya**, your support will renovate a dilapidated dining hall and continue offering structure, stability, and nourishment to over 600 students—many of whom rely on the school to keep their dreams alive.

In **Rwanda**, your contribution equips a brand-new vocational training center with sewing machines, salon tools, and culinary supplies—giving young people practical skills and a path to employment.

In **Liberia**, your donation will cover teacher salaries, facility maintenance, and classroom updates, including new desks and sanitation supplies. Many of these children wouldn't be able to attend school at all without donor support.

In **Guinea-Bissau**, your donation helps repaint classrooms and school walls, creating a clean, safe, and inspiring space where children can learn without interruption—even when other schools shut down.

This is your **last chance** to be part of something meaningful this summer. Every dollar brings us closer to brighter classrooms, fuller lunch tables, safer facilities, and stronger futures.

Thanks to generous donors like you, we have already reached our initial goal of \$15,000! But there's always room to grow and every bit counts, so we raised our new goal to \$20,000!

Even \$10 or \$25 can make a world of difference.

Let's end this campaign strong. Together, we can build not just schools but futures filled with dignity, opportunity, and hope.

Yes, I'd like to invest in future leaders through the Schools of Africa Project!
