WFWP Oregon celebrated the International Day of Peace on September 21, 2025, at the Portland Family Church in West Linn, in collaboration with the Baha'i community.

Over 40 participants, including guests from across Oregon, joined for an inspiring Peace Pole Planting Ceremony, interfaith prayers, and a keynote presentation followed by lively discussion.

The event fostered fellowship over light refreshments and strengthened bonds among faith-based groups committed to peace. Participants deepened their shared understanding of creating hope and unity, and plans emerged for future gatherings to continue promoting harmony and global cooperation - advancing WFWP's mission of building a peaceful world together.
