

## WFWP USA: Walk the Path of Peace, Together, We Can Build Change

Dear,

**Step into a place where hearts are mended, bridges are built, and dreams for peace take flight.**

In April 2025, **43 women from across the country traveled to Korea** with WFWP USA on a powerful pilgrimage—one that many described as life-changing. From **walking through the DMZ**, once marked by division but now growing into a symbol of peace, to participating in the **International Bridge of Peace ceremony**, these women experienced something deeper than a trip. They experienced transformation.

**Women from nations once in conflict stood side by side, crossing a symbolic bridge—not as strangers, but as sisters.** Many shared that it was in these moments they felt something shift: a sense of healing, connection, and purpose they hadn't experienced before.

The journey culminated at the opening of the **International Interfaith Temple**, where a heartfelt

prayer for peace and reconciliation moved many to tears. For some, it was a **spiritual awakening**. For others, it was a reminder that **peace begins within and grows through community**.

This is what it means to be part of WFWP.

**As a member, you're not just supporting a mission—you're stepping into a global network of women who are actively creating peace, building bridges, and growing in leadership and heart.**
