Dear Family,

On July 31, at an Austrian meeting with Rev. Jack Corley, I gave my resignation. I know that at that time many of our brothers and sisters were surprised. Since then three months have passed and I am sorry that during this time I could not give clear answers to your questions. The reason for this was that Rev. Corley was waiting for a response from the True Mother to his proposals for a change of leadership in Austria. At the end of last week we were told this answer. Rev. Corley and Rev. (Yong Shik) An on Sunday evening, we explained in a web conference the significance and implications of the new guidelines for the Austrian Association Movement.

In her memo the True Mother makes clear that Elisabeth Cook will be the Vice-President of the Austrian Association Movement. It thus bears responsibility for all church-related activities. For the time being, Dr. Wolfgang Czerny was appointed to moderate this committee. We had our first meeting last Wednesday (National Day) and were able to process almost all items on the agenda.

Last but not least, I would like to ask you to support Elisabeth Cook with all my heart. Also, Gaby and I will do that. Next Sunday we have a kick-off ceremony (Vision 2020) and we have great plans for the coming years. Let us unite on a new level, work with new enthusiasm for the establishment of Cheon Il Guk! In the first sentence of the Memo of the True Mother, the following message is sent to us: "The mission of Austria with regards to VISION 2020, national restoration and global restoration is extremely important." And these are their last words: "To conclude, leaders in Austria must "These precious words are directed by the True Parents directly to us, the Austrian siblings! Let them carry us in our hearts forever!
