## **1. Introduction**

True Father, after returned to the Cheon Jeong Gung from Seoul St. Mary's Hospital on August 12, rode his wheelchair around the Hoon Dok Room and surrounding areas on the third floor. He touched many objects and said, "Be well." He repeatedly took True Mother firmly by the hand and said, "Mother, Thank you." As he prayed with those attending True Parents, he said four times: "All is accomplished." Then on August 13, at the Cheongshim Hospital, he prayed, saying, "Today, I offer to Father the final completion and ending... All is accomplished. Aju." While Jesus on the cross, he said "All is accomplished" in a spiritual meaning, True Father declared the final completion and ending with his words "All is accomplished" both spiritually and physically.

True Parents set the 13th day of the first month of 2013 as the Foundation Day that will mark the beginning the the substantial Cheon Il Guk, and have led the providential march toward that date. Cheon Il Guk is a nation of a new type. It signifies a heavenly nation that will be governed directly by God and True Parents. God's Holy Marriage, God's Coronation and the reblessing of blessed families are scheduled for the 13th day of the first month of 2013. Towards this purpose, True Parents have already finished God's Holy Marriage, God's Coronation and the reblessing of blessed families on an internal dimension so as to complete the foundation for the victor of Foundation Day.

## **2. The Holy Marriage and Golden Wedding Anniversary of the True Parnets of Heaven, Earth and Humankind**

The Cheon Il Guk Foundation Day will begin the Holy Marriage of the True Parents of Heaven, Earth and Humankind. The True Parents of Heaven, Earth and Humankind refers to the parents who have accomplished the one body unity between the Cosmic True Parents, or the incorporeal God, and the True Parents of Heaven and Earth, or the completed Adam and Eve. The Holy Marriage of God, which will be carried out by the Holy Marriage of True Parents, will be done by God taking on the bodies of True Parents. The Holy Marriage of True Parents to receive the Holy Marriage of God must be performed first as the "Holy Marriage of True Parents" (16th day, 3rd month, 1960) on the Formation Stage, second as the "Holy Marriage Blessing Ceremony of the Parents of Heaven and Earth Opening the Gate of Cheon Il Guk" (6th day, 1st month, 2003) on the Growth Stage and third as the "Holy Marriage of the True Parents of Heaven, Earth and Humankind" (13th day, 1st month, 2013) on the Completion Stage.

The 43 years from the Holy Marriage of True Parents to the Holy Marriage of the True Parents of Heaven, Earth and Humankind was a period for True Mother to be born as a daughter of God and go through stages as younger sister, wife, mother, grandmother and queen to form a one-body unity with True Father. True Father and True Mother established a one-body unity in performing the Holy Marriage Blessing Ceremony of the Parents of Heaven and Earth Opening the Gate of Cheon Il Guk. The 10 years from the Holy Marriage Blessing Ceremony of the Parents of Heaven and Earth Opening the Gate of Cheon Il Guk until the Holy Marriage of the True Parents of Heaven, Earth and Humankind is a period for True Mother to become a substantial body of God so as to perform the Holy Marriage of God.

True Parents held three celebrations for the 50th anniversary of their Holy Wedding. The first was the "50th Golden Wedding Anniversary of True Parents' Holy Wedding" (April 19, 2009), the second was the "Coronation for the Establishment of the Abel UN and Golden Wedding Anniversary" (April 29, 2010) and the third was the "True Parents' 93rd Holy Birthday, Golden Wedding and Jubilee Year, and Gohui," (Heavenly Calendar 1st day, 1st month, 2012). The golden wedding anniversaries held prior to and following the 50th anniversary of their Holy Wedding were not simple anniversaries of a wedding that took place 50 years prior. Instead, they were rites marking the internal Marriage of God taking place in the Jubilee Year surrounding the

Holy Wedding of True Parents. (2010.4.29) Through the Golden Wedding Anniversary, God, True Father and True Mother formed a one-body unity.

The process by which this one-body unity was established can be understood in terms of Origin-Division-Union Action, where the incorporeal God is the Origin. True Father and True Mother, the completed Adam and Eve are the Division. When God resides in the one-body unity established by the Holy Marriage of the completed Adam and Eve, this is the Union. (293:49-78, 1998.5.3) The Union of the Origin-Division-Union Action is the synthesis, or unified body, of God, True Father and True Mother. We call this the Substantial Trinity. The Substantial Trinity signifies a state where God (Holy Father), True Father (Holy Son) and True Mother (Holy Daughter) establish one-body unity. (1996.8.1) If the Holy Son in the Substantial Trinity is the only begotten son, the Holy Daughter signifies the only-begotten daughter. (58:219, 1972.6.11)

The Golden Anniversary Ceremonies held on three occasions were the internal Holy Wedding of God. The Holy Wedding of God to be held on Foundation Day will be the external Holy Wedding. Because the Substantial Trinity was completed through the Golden Anniversary, True Father and True Mother always accompany God within Him, God and True Mother always accompany True Father within him, and God and True Father always accompany True Mother within her. As long as either True Father or True Mother are on earth, the Holy Marriage of God can be performed on Foundation Day.

### **3. The Ceremonies for God's Enthronement and Coronation**

The True Parents of Heaven, Earth and Humankind are the True Parents, True Teacher and True King of humanity in the spiritual and physical worlds. For True Parents to govern the cosmos with royal authority, there needs to be an enthronement ceremony and a coronation ceremony. The enthronement ceremony is an internal rite announcing a new king. In this ceremony, the crown prince receives the royal seal, ascends to the royal throne and takes his seat there. The coronation ceremony, which is performed after the enthronement ceremony is a public in which the king wears the crown for the first time. It is a ceremony to declare to the world that a new king has been installed.

After True Parents offered to God the Enthronement Ceremon for God's Kingship (January 13, 2001), they lived a life of full investment with their lives on the line. The Enthronement was a holy ceremony to liberate and completely free God from His imprisonment in the prison created by Satan and receive Him as the Great King of the cosmos and to declare the beginning of the new sovereignty to all heaven and earth (Peace Messages 85-86). On the foundation of the Enthronement Ceremony of the King of the Blessed Families (Heavenly Calendar 2003.1.6) to proceed in stages with the providence for the "Ceremony for God's Coronation".

Between December 2003 and August 2004, True Parents performed the "Coronation Ceremony of the King of Peace" on four occasions on a vertical standard. Then, between August 2004 to February 2005, True Parents performed the "Coronation Ceremony of the King of Peace" on four occasions on a horizontal standard. It was on this foundation that the "True Parents' Entrance into the Original Palace and Coronation" (June 13, 2006), the "Coronation Ceremony for God's Liberated Authority as the King of Kings (Jan. 15, 31, 2010) and the "Coronation and True Parents' Golden Wedding Anniversary for the Establishment of the Abel UN, and Ascension Festival" were each performed.

The three coronations performed beginning with the "True Parents' Entrance into the Original Palace and Coronation" signified God's internal coronation ceremonies performed on the basis of the one-body unity God, True Father and True Mother. The coronation of the True Parents of Heaven, Earth and Humankind to be performed on Foundation Day will be God's external coronation ceremony. The royal authority of the True Parents of Heaven, Earth and Humankind will appear simultaneously through God, True Father and True Mother. If even one between True Father and True Mother are on earth, the coronation of God can be performed on Foundation Day.

### **4. The Completion of True Parents' Responsibility and the Registration in the 4th Dimension**

The nucleus for building the heavenly nation is the heavenly family. If the heavenly family is set as the nucleus and that nucleus is expanded, the heavenly nation will be built and completed. (Heavenly Calendar

1.2, 2012) The completion of the heavenly family takes place through the Four Position Foundation that appears as a result of Original Division Union action. The completion of the Four Position Foundation takes place when God is completed as the First Creator, the True Parents are completed as the Second Creator and one family among the direct children is completed as the Third Creator. (1998.8.21) The standard for completion is to reach completion and form a pair in the position prior to the time when God issued the commandment, "Do not eat of the fruit of the tree of good and evil".

Through the reblessing that takes place on Foundation Day, blessed families will be born again as God's direct children. At the same time, they will receive the Blessings of God that Adam and Eve receive in the Garden of Eden. Unmarried blessed children will be born again in the position prior to the time that God issued the commandment "Do not eat of the fruit of the tree of good and evil." (Heavenly Calendar 10.14, 2011)

True Parents have taken responsibility to perfect, conclude and complete all the conditions necessary for the reblessing of blessed families on Foundation Day. This is the Declaration of Registration to the Four Dimensional World (Heavenly Calendar 4.16, 2012) True Parents declared through the Declaration of Registration to the Four Dimensional World: "The responsibility of True Parents has ended. The True Parents and the True Parents of Heaven, Earth and Humankind have settled completely. Our family has seen perfection and conclusion. The sons Kook Jin and Hyung Jin, Cain and Abel, have become completely one. Blessed families will reach completion with the 96 percent responsibility of True Parents and their own 4 percent responsibility.

The first registration signifies a registration to the Old Testament era, the second registration signifies a registration to the New Testament era, the third registration signifies a registration to the Completed Testament era, and the registration to the fourth dimensional world is to the Fourth Adamic Realm era. By declaring the perfection and conclusion of our families, the True Parents of Heaven, Earth and Humankind who have completed the Substantial Trinity have accomplished the perfection and completion of the heavenly families of the heavenly nation.

True Parents, having accomplished the completion of the heavenly family (100 percent) with God's responsibility (95 percent) and True Parents' responsibility (5 percent), have also opened wide the door to the Registration to the Four Dimensional World. It is on this foundation that they declared, "The responsibility of True Parents has ended." On the foundation of the 96 percent responsibility completed by True Parents, blessed families can accomplish their own 4 percent responsibility and register to the 4th dimensional world.

Because the registration of the heavenly family to the fourth dimensional world was accomplished on the foundation of the golden wedding anniversary and coronation ceremonies, True Parents and True Children appeared in the heavenly family with God at the center. When heavenly families are designated through the reblessing to be performed at Foundation Day, true citizens and a true nation will make their appearance. (161:222, 1987.2.15) As long as at least one of True Father and True Mother who have accomplished the Substantial Trinity are on earth, the reblessing that enables the registration to the fourth dimensional world can be performed at Foundation Day.

## **5. Postscript**

When True Parents declared, "All is accomplished", on August 12 and 13, the meaning was also that all responsibilities of the True Parents needed for the heavenly nation, or substantial Cheon Il Guk, to begin through the reblessing of blessed families were perfected and concluded. The internal rites for the Holy Marriage and Coronation of God and the reblessing of blessed families that will be performed on Foundation Day have already been perfected, completed and concluded. So the providence of Foundation Day can continue centered on True Mother, who has accomplished the Substantial Trinity with God.

The motto for 2012 is "The Era of the Victory, Liberation and Perfection of the True Parents of Heaven, Earth, and Humankind". True Parents already finished their responsibility. They have victory and liberation. They have passed on that victory and liberation to us blessed families. (2012.3.4)
