

ACTIVITY REPORT OF HUNGARIAN FAMILY DECEMBER 2014

Divine Principle Seminars:

In this month the DP education was continuing in each City Centers. In **Kaposvar** there was a weekend DP seminar where 3 guests listened lectures. In **Pecs** City Christian mothers attended the DP lecture serials. In **Budapest** community the “elder” **2. generation children invited their classmates** (8 classmates came finally) for 1 day DP WS. In one boy case his father also came to attend the WS and check it out the place. Finally he was also very happy and satisfied that his son wants to join such nice group of young people.

Activities by the AFP involvements:

In our Peace Embassy 6th of December there was a cultural program with the collaboration of three NGOs. (FFWPU, House of Nations, Megszolalo Kezek Foundation). The purpose of the event was to prepare for the Advent and strengthen the freindship with other nations. That is why we invited from Austria-Burgerland a choir and musicians from other NGOs as well. We asked UPF-AFP to offer musical performances too. As part of the program we introduced the FFWPU and its activities. Few diplomats, theologian scholar, the first hungarian spaceman and other guests attended the event.

Through one of our close AFP we were invited at 8th of December to a conference on religious dialog. Beside of two protestant preists and muslim leader I was also asked to speak about the activities of True Parents 'interreligious initiatives.

In the name of UPF there was also a Christmas celebration parties in Budapest and Gyor city as well.

Also one of our AFP orgaised the meeting between the Christian Democratic Party (KDNP who are in coallition with the FIDESZ governing party) and our UPF board leaders. The Hungarian UPF President Mr. Peter Meszaros introduced the work of UPF and its Founders. The meeting offered a possibility to invite the current VVIPs for the World Summit 2015. We hope that this meeting could help to move on and create better possibilities for the future.

WFWP – Budapest

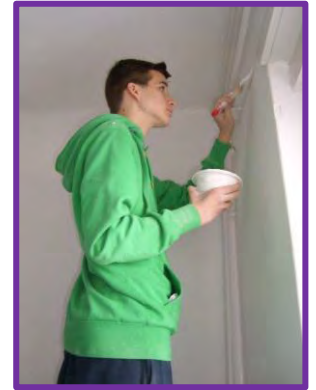

5th of December the WFWP continued their regular club. This time there was an invited lecturer on the topic of nonviolent communication. Of course before the specialist could go through her topic, Mrs. Parisa Nagy the president of WFWP introduced the WFWP and True Mother. Also she prepared a printed version of True Parents' words on true communication.

4 Day Winter Camp – 2. Generations

27th-30th of December we held a 4 day winter camp for the Hungarian HARP children in our Training Center in Pecs city. The camp had a very colorful program. Three main topics were lectured: parent-child relationship, Spirit World based on the providence of resurrection and about the Sexuality-purity. As part of the camp the children did street witnessing and also a service work at a Mother's home. The children painted and cleaned up the bathrooms and toilets. Same time they offered a musical performances for the orphans in this institution. The camp offered possibility for lot of games, funs, sharing and expressing their creativities by songs, baking, dancing and art.
