WORLD OF HOPE FESTIVAL

Music, Dance, Inspiration, from around the World.

Every man seeks joy, stimulation and fulfillment for his life.
Let's celebrate life at the World of Hope Festival!

Let's enter into the richness, the beauties and rhythms that God intended life to have. The world and mankind are meant to express God's joy in the fullest sense. We invite you to be with us for a few evenings of joy — the celebration of these gifts. The few hours of joy we share together can add a whole new brilliance to your life. You are sure never to forget them.

The mediums of dance and music will show you the rhythm and power of the universe, the grace and poignancy of human expression, the joy of laughter, the warmth of love. The inspiring message will enable you to continue the celebration of life long after these nights have passed.

Come to the World of Hope Festival.
