Dear brothers and sisters,

We'd like to invite you to our weekly Monday's zoom meeting TODAY, October 14th, starting at 8pm Eastern time.

The special guest speaker will be Mr. Hiroshi Maeda from Japan.

Mr. Maeda's spiritual eyes are open. He has various spiritual experiences.

He explains the unseen world to us in a realistic way, including the difference between the spiritual world before and after receiving a blessing, the benefits of Chung Pyung such as the Night Vigil Prayer, and the state of the spiritual world as seen through the spiritual eye during the Chanyang Session.

This week, He is participating in a 3-day workshop in Chung Pyung. You will be able to hear some fresh testimonies.

There will also be a time for Q and A, so if there is anything you would like to ask about the spiritual world, please send your questions to the Kodan office; office@kodanusa.org.

Here is a brief introduction to Mr. Hiroshi Maeda;

He was born and raised as a second-generation Korean-Japanese Soka Gakkai member, and at the age of 17 he was involved in a traffic accident. At that time, he had a near-death experience. After that, he visited the spirit world many times. For 30 years, he explored many religions in search of the truth of spiritual experiences, but he was unable to find an answer.

He encountered the Family Federation about three years ago. His wife made a confession of faith, saying that she had been attending the Family Federation in secret for 10 years. He then studied about the Family Federation, and was moved by Divine Principle, which revealed the reality and truth of the spiritual world, and joined the Family Federation. He received the Blessing.

Last year, he participated in the Chiba 21-day workshop in January and April. In January this year, he participated in the 40-day Chung Pyung training session.
