

21-day Workshop on the Divine Principle

Ukraine, Mykhailo Ilin, June 25, 2018

On June 25, the 21-day Workshop on the Divine Principle started in the workshop center near Kyiv. Seven new guests from different cities of Ukraine came to the workshop. Some of them already decided to join our one-year education program after the workshop. We also expected more new guests come to the second part of the workshop, which will start on July 4.
