

# Educational Workshop for Ukrainian Second Generation Children

Ukraine, June 27-July 01, 2018

about these topics.

Since June 27 to July 1 we held 4-days educational workshop for our middle-school 2 Gen (11 years old and more). It had a title “WS for SG on embodying Principle in life”.

14 children from different cities came to Kyiv to participate in the workshop. The first day included DP lectures (Introduction, Principle of Creation, The Human Fall and Principle of Restoration) and presentation about the goal of DP education. Children asked many question

The second day included testimonies from elder SG, lectures about our identity and witnessing. After that children trained their abilities in giving DP lectures. For some children it was a big challenge. But they tried hard and feel inspired by overcoming the difficulties. Third day was full of life discussions, enjoyment program and special conversation of blessed wives with girls about the relationships with the opposite sex and other issues related with teenage period.

Every day of the workshop finished with sharing where children could share their impressions about the day and pray together.

In the end of the workshop children wrote tests on DP.

The WS will continue for kids by 3-days witnessing experience in different Cities.
