

Ukraine Holds Blessing for Supported Families

Ukraine, Mykhailo Ilin, December 22, 2018

On December 22 members in Ukraine conducted a Marriage Blessing festival in Kyiv for families who receive support.

Many of the participants are long-term contacts of the Ukrainian chapter of Women's Federation for World Peace (WFWP).

Ninety-seven couples took part in the ceremony, which was officiated by FFWPU-Ukraine national leader Anna Kalmatskaya and her husband, Anatoliy Kikin.

As a majority of couples came together with their children, it became a very lively family festival, with entertainment, gifts, and activities for everyone. Certificates of honor were awarded to couples with many children.
