January 3 - 8, 2020

Continuing the tradition in Ukraine for second-generation youth 13 years and older to take part in Chondo (witnessing) during their school vacation, nine children went to the cities of Kharkiv, Dnipro, and Chernigiv for a five-day witnessing campaign.

From January 3 to January 8, the young people took part in street witnessing, lecture training and studying Divine Principle. In addition, they went sightseeing and participated in cultural programs with guests and center members.
