

# Ukrainian Actionizers Gather for Three-Day Meeting

*Mykhailo Ilin - February 28 – March 1, 2020*

An All-Ukrainian Actionizers Meeting was held in the city of Dnipro from February 28 to March 1. The meeting's goal was to encourage the participants to join the 21-day workshop one week later and to go on to the one-year New World Educational Program.

Eight participants who are going through an actionizing program in their local center came to the meeting. The young and inspired participants came from the cities of Kyiv, Kharkiv, Zhytomir, Chernigiv, Lviv and Dnipro.

The meeting included education about the Unification Movement and the Formula Course, practice in fundraising and witnessing, a lecture contest, discussions and lots of communication. It finished with an excursion to a museum and sightseeing in the city.

Among the reflections written by the participants was this one from a 20-year-old: “For the first time I tried [fundraising and witnessing]. I really liked and enjoyed it. I could see that the education I can receive in the Movement is taking me out of my comfort zone. And this is good, for sure. It actually took much effort from me to persuade my mother to let me come here. But now I feel determined to go even for a 21-day workshop and to explain everything properly to my family.”
