WFP Ukraine supported the event dedicated to the International Day for the Protection of Children, which was organized by our long-term partner -- the NGO "Union Golden Age of Ukraine."

Three babies and four minors with their mothers, who are serving sentences, as well as six teenagers in the Lukyanivskyi detention center in Kyiv received the necessary things purchased by WFP: diapers, baby food, personal hygiene products, plastic dishes, summer clothes, shoes and goodies.

On June 2, the action took place in the Kremenchuk children's colony in the Poltava region, which currently houses 54 minors. The women's team of volunteers together with the President of the NGO "Union Golden Age of Ukraine," Mrs. Yana Baranova, were talking to the boys and painting the walls in the cyber room. They presented the gifts bought by partners, including WFP Ukraine: fashionable jackets, hats, banana bags and other goodies.
