

# The Best Love Song!

## Time to think about what is True Love

Bucharest, Romania, 17. May 2016

Greetings from Romania!  
We are so happy to offer this report in front of Heavenly Parents and True Parents. We organized Open Purity Education Event last Tuesday. The purpose of this program was share the message about 'Absolute Sex' for all kind of people. Specially 'How important prepare for future family', 'Importance of Sexual Purity' and 'What is the difference between True Love and False Love'.

This program started with introducing each other. All the participnats were happy to be here and curious what can they learn in this program. Afterwards we had presentaion about True Love. Lecturer explain about general understanding of love which all of us can experience in our life. And we

could see that we can experience 4 kind of love, Parental love, Childrens love, Siblings love and Conjugal love. And among these 4 kind of love, only conjugal love is very different. Because conjugal love provice that 1 to 1 relationship.

And afterwards we discussed what kind of love we want in the future relationship. And we could realized that all of us want to find Absolute, Unique, Unchanging and Eternal love. This means all of us wish to experience True Love in our life, specially in the relationship with future spouse. But in our daily life we can see also different kind of love too. Specially movies, dramas and songs has a lot of infulence in our life. Even though we all wish to have True Love but because of influence of songs can be confused

about this. So our main activities were changing the lyrics of Love Songs. So we made 4 teams and each team changed the lyrics of very famous song 'LOVE' in order to make it as Best Love Song. There was really joyfull spirit in the making of the songs. All the teams put a lot of effort and made really beautiful Love Songs. In the end of this program we made 'The Best Love Song Concert' and all the team sang the song which they made in front of all the people. We had really beautiful time to listen to such a love songs.

We wish this program bring new wind of True Love for Romania young people and help them to create ideal family in the future.

Thank you so much Heavenly Parents and True Parents.
