Unification Movement Wales

We are a growing active community of families in Wales that are striving to embody the ideal of true love and to establish a world of peace and unity among all people, races and religions as envisioned by Rev Sun Myung Moon.

We are inspired to share Welsh Culture, Welsh Art and Welsh Talent to bring joy and inspiration to our families, local community and to the wider internet community. It is our belief that we can make a difference in the world by bringing peace to our families, to the larger community and to our nation as a whole. Consequently, we engage in activities ranging from Peace Walks, Service for Peace, Sports for Peace and also contribute to peace activities in other Nations. Our members have taken part in Middle East Peace Initiatives and some are currently involved with peace outreaches in Chad, Ghana and Albania.

Our friendly families welcome anyone who aspires to the above ideals and who wishes to become associates or members in our local community.

- Monthly Peace Walk (First Saturday of every Month) – The monthly Peace Walks allow our families and local community to enjoy each other's company in the beautiful environment of the Welsh Countryside. Our walks are usually well attended by our families, local community and visitors. Our participants bring our young children to have an early appreciation of peace that is found in nature and allows our families an engaging activity together. The walks build community spirit and have the potential to bring families closer together. The walking time is being tailored to last about 1 hour with an additional half time break for food and social interaction.
