In order to stand properly on God's will, we need to understand the providence properly. In order to do that, we need to know True Parents' life and words. After True Mother proclaimed Foundation Day, she appointed 40 providential nations and guided us around the world to send out Cheon Il Guk Youth Missionaries to establish the substantial Cheon Il Guk. You are the people who received a special mission from Heaven to realize Cheon Il Guk. Now you are going to your

mission nation, I wish for you to perceive your role as a missionary.” Also, he asked the youth missionaries to have true hearts. He added: “In order to become a missionary who can fulfill God’s mission, you need to have a heart full of spirit and truth. If you don’t feel God’s heart, then it will be hard for you to find the people who will stand in front of God in your missionary region. I wish for you to feel God’s heart as you prepare to go to your missionary nation. Please, live your life according to True Parents’ words and become missionaries who put every effort into spreading True Parents’ words.”
