The Korean Religions Association and the Professors World Peace Academy hosted the Religious and Academic Seminar on the 8th at 11:00 AM at the Family Federation for World Peace and Unification Headquarters Auditorium in Cheongpa-Dong, Seoul.

There were about 150 participants in attendance, including representatives from Won Buddhism, the Korean Islam Federation, Family Federation, religious representatives, professors, ministers and graduate students.

This seminar was prepared under the heading, “The Realization of the Ideal World of Korean Religions,” to commemorate the First Anniversary of Cheon Il Guk Foundation Day of the Family Federation for World Peace and Unification.

In the first section of the seminar, representatives from the four participating religious orders spoke on the realization of an ideal world. Representing Won Buddhism, Professor Do Gong Kim of WonKwang University gave a speech titled, “Interpreting the Direction and Meaning of the Ideal Society Theory of Won Buddhism,” in which he emphasized that theories on an ideal society and world should not only be looked at from religious perspectives.

Man Jong Shin, Chairman of the Board of the Korean Islam Federation revealed Islam’s plan for the realization of an ideal world, saying, “In order to bring about an ideal world, Islam is making efforts to accomplish the goal of the creation of mankind within our lifetimes, on the foundation of uniting together with faith.”

The Director of Major Western Religious Affairs explained, “The doctrine of Major Religions is humanitarianism, acceptance of all living things and the salvation of suffering humankind, through the channeling of spirits.”

Professor Hang Jae Kim of Sun Moon University explained the ideal world as “Cheon Il Guk, in other words, the Country of Cosmic Peace and Unification. Cheon Il Guk is the place where the physical and spiritual worlds, where substantial and insubstantial worlds embrace each other. It is the world of cosmic peace and unification, and the world in which all of mankind is united as one family under God.”

The second part of the seminar was conducted by the Professors World Peace Academy, with Daejeon University Professor Byeong Hwan Choi taking the floor. He gave a talk titled, ‘A Theological and Religious Analysis of the Foundation Day of the Family Federation for World Peace and Unification.’

Through the theological and comparative analysis of Foundation Day, CheongShim Graduate School of Theology President Jin Choon Kim observed that, “Foundation Day is the starting point and basis of the substantial Cheon Il Guk. At the heart of Foundation Day lies the substantial Cheon Il Guk. Foundation Day is built on the substructure of the phrase, ‘It has been accomplished!’”

Sun Moon University Professor Woong Tae Jo, in his speech titled, ‘The Meaning and Purpose of Cheon Il Guk and Foundation Day,’ proposed that, “We should widen the scope of the Marriage Blessing to include not just our own members, but different religions and different cultures as well. We should also create many multicultural families with North Korean citizens.”

At the opening ceremony, Kyeong-Seuk Lu, President of the Korean Religions Association, stressed that, “If the mission of religion is to establish a peaceful world, rather than studying scripture or religious thought, we should band together and work hard to save suffering humankind, and to establish a peaceful world.”

Professors World Peace Academy President Dae Oh Son expressed that, “If we let go of the rope of the ‘ideal world,’ humankind will become an ‘animal farm’ ruled by violence. It is the religious teaching and wish for an ideal world that will become the ‘water of life’ for today’s world that is so full of absurdity, conflict, evil and confusion.”

A representative of the Korean Religions Association stated that, “During today’s seminar, each religion was able to present on their theories for methods of achieving an ideal world, and they were able to accept and understand each other. I hope that this can be an opportunity for different Korean religions to harmonize and work together.”

On February 8th at 11:00 AM at the Family Federation for World Peace and Unification Headquarters Auditorium in Cheongpa-Dong, Yongsan-Gu, Seoul, the Korean Religions Association (President Kyeong-Seuk Lu) and the Professors World Peace Academy (President Dae Oh Son) jointly hosted the Religious and Academic Seminar, with 150 participants, including representatives from Won Buddhism, the Korean Islam Foundation, Family Federation, mainstream religions, professors, pastors and graduate students.

This seminar was prepared under the heading of, “The Realization of the Ideal World of Korean Religions,” to commemorate the First Anniversary of Cheon Il Guk Foundation Day of the Family Federation for World Peace and Unification. Each religion was able to share its methods and ideas for the realization of an ideal world. At the opening ceremony, Kyeong-Seuk Lu, President of the Korean Religions Association, stressed that, “If the mission of religion is to establish a peaceful world, rather than studying scripture or religious thought, we should band together and work hard to save suffering humankind and to establish a peaceful world.”

Professors World Peace Academy President Dae Oh Son expressed that, “If we let go of the rope of the ‘ideal world,’ humankind will become an ‘animal farm’ ruled by violence. It is the religious teaching and wish for an ideal world that will become the ‘water of life’ for politics, economics, society, culture and education, all of which are so full of absurdity, conflict, evil and confusion.”

In the first section of the seminar, the four participating religious orders spoke on the realization of an ideal world. Representing Won Buddhism, Professor Do Gong Kim of WonKwang University gave a speech titled, “Interpreting the Direction and Meaning of the Ideal Society Theory of Won Buddhism,” in which he emphasized that theories on an ideal society and world should not only be looked at from religious perspectives. Strong energy must be gathered in order to change the irrational reality that we live in. The messianic reformist idea and Maitreya ideology form the theological basis, and the unique ideas for an ideal society of Won Buddhism, are expressed in the Maitreya ideology and the Yonghwa-hwe theology.

Furthermore, Chairman of the Board of the Korean Islam Federation Man Jong Shin revealed Islam’s plan for the realization of an ideal world, saying, “In order to bring about an ideal world, Islam is making efforts to accomplish the goal of the creation of mankind within our lifetimes, on the foundation of uniting together with faith. God created the many different tribes and races with different principles so that within our lives, we could unite with each other to realize an ideal world.”

The Director of Major Western Religious Affairs explained the ideal of Major Religions, saying, “The doctrine of Major Religions is humanitarianism, acceptance of all living things and the salvation of humankind through the channeling of spirits.”

Professor Hang Jae Kim of Sun Moon University explained the ideal world as “Cheon Il Guk, in other words, the Country of Cosmic Peace and Unification. Cheon Il Guk is the place where the physical and spiritual worlds, where substantial and insubstantial worlds embrace each other. It is the world of cosmic peace and unification, and the world in which all of mankind is united as one family under God.”

The second part of the seminar was conducted by the Professors World Peace Academy, with Daejeon University Professor Byeong Hwan Choi taking the floor. He gave a talk titled, ‘A Theological and Religious Analysis of the Foundation Day of the Family Federation for World Peace and Unification.’

Through the theological and comparative analysis of Foundation Day, CheongShim Graduate School of Theology President Jin Choon Kim observed that, “Foundation Day is the starting point and basis of the substantial Cheon Il Guk. At the heart of Foundation Day lies the substantial Cheon Il Guk. Foundation Day is built on the substructure of the phrase, ‘It has been accomplished!’”

“The Unification Church was also able to improve and popularize its image through the promotion of the holiday festivities. We will become the central focus of the world of the last days in the future through the achievements of Foundation Day, and we will create a model community of clergy and members that can display our capabilities.”

This speech was followed by comments and discussions by Sun Moon University Professor Jae Won Joo and CheongShim Graduate School Professor Jin Soo Hwang.

During the seminar, each religion was able to present their theories and methods for achieving an ideal world, and they were able to accept and understand each other. Hopefully, this can be an opportunity for different Korean religions to harmonize and work together.

All Humans Must Fulfill Their Responsibility to Realize an Ideal World

각 종교가 추구해 온 이상세계의 본질과 공통점을 이해하고 그 실현 방법을 공유하는 자리가 마련됐다. 한국종교협의회(회장 유경식)와 세계명학교수협의회(회장 손대오)는 기원절 1주년을 맞아 8일 서울 창비동 가정연합 8층 강당에서 “한국 종교의 이상세계 실현”을 주제로 열린 기원절 1주년 기념 학술세미나에서 “한국 종교의 이상세계 실현”을 주제로 열린 기원절 1주년 기념 학술세미나에서 유경식 한국종교협의회 회장이 인사말을 하고 있다.

이날 발표자들은 각 종교의 이상세계의 개념과 특징, 실현 방법 등을 교리와 창시자 언설(言說)을 근거로 소개했는데, 원불교와 이승답교, 대종교, 가정연합은 이상세계 실현을 신의 구원사이에 의존하거나 다는 인간 각자의 수행에 초점을 맞춰 의견을 밝혔다. 가정연합은 한발 더 나아가 수행의 기본단위를 가정으로 확대시켰다.

김도균 원광대학교 교수는 “원불교 이상사회의 의미와 해석 방향”이라는 발표에서 “불교와 원불교는 밀접한 관계를 갖고 있다”며 원불교의 이상사회를 불교의 미혹(彌勒)과 용화(龍華) 사상에서 비롯된 것이라고 설명했다. 김 교수는 “불교는 석가세존이 입멸한 뒤 47만 7000년(천이 지나 미래의 부처인 미륵불이 이 세상에 출현해 모든 중생을 제도해 나란 즉 용화회상을 이룬다는 미혹사상이 있는데, 이 미혹사상은 원불교 창시자 소태산의 기원절에도 고수해 부처로써 있음을 발견한다”고 말했다. 그는 용화회상을 “부처가 세상에 가득 차서 성취의 구멍이 없어지고, 도덕이 구멍이 없어진 원만 평등한 세상”이라고 설명하고, 그 실현 방법으로 “금강(金剛) 같은 성품을 취득하려는 자성의 현실사회의 대한 건전한 비판, 개혁과 진보의 정신을 잃지 않는 것”이라고 제시했다.

답교의 이상세계 실현’이란 발표에서 “이승답은 이상세계의 실현을 현재와 미래의 삶을 통해서 동시에 실현함을 의미한다”며 “유한한 현재의 삶은 미래의 영원한 안식을 위한 준비과정으로 간주한다”고 말했다. 그는 또 “이승답은 이상세계의 실현을 위해 현재의 삶 속에서 무수한 개개인이 스스로 책임하도록 가르친다”고 소개하고, “예배를 근행하며 느끼는 마음의 평화는 유일한 하나님에 대한 믿음의 확신이 주는 가장 완전한 이상세계 체험”이라고 밝혔다. 그는 또 “이승답 국가인 영공(永公)대시는 민군과 기아로 허덕이는 반국이지만, 지구상에서 가장 행복자가 높다”며 “애연자 무열마드의 모범적인 삶을 통해서 보면 계율을 지키고 따르며 오늘, 완성을 다하는 것이 이상세계를 향한 최상의 방법”이라고 강조했다.

양종 대종교 총무원장은 ‘대종교의 이상세계 실현’이라는 발표에서 “널리 인간

세계를 이롭게 한다는 홍익인간(弘益人間)은 대종교 교리의 본질로서 궁극적으로 완성하고자 하는 이상세계”라며 “대종교 경전 신시기(新紀)에는 하늘·땅·사람이 어우러져 우리가 되는 세상을 만들고 모두를 이롭게 하는 것이라고 주지하고 있다”고 설명했다. 양 총무원장은 “홍익사상은 자리(位)를 떠나 이타(利他)에 치우치지 않는 ‘우리의 이익’이 됨을 의미한다”고 말하고 “이는 시공을 초월해 우주적 보편성을 띤 사상”이라고 강조했다. 그는 또 “종양은 삼법수행(三法修行)을 당부했는데, 이는 마음공부, 몸공부, 몸공부가 인간과 사회의 질적 변화를 추구하는 수행의 핵심이기 때문”이라고 밝혔다.

김항재 선분대 교수는 “가정연합의 이상세계 실현론”에서 “가정연합에서 말하는 이상세계는 천일국(天一日)이라고 소개하고, “가정연합을 창시한 원선일 선생에 따르면 천일국은 두 사람(天=二

+ 사람이 하나)가 된 나라”라고 설명했다. 즉, 유·무형 실재세계를 하나로 아우르는 천주의 평화와 통합이 이루어진 세계요, “한 하나님 아래 한 가정”을 이룬 세계라는 것이다. 그는 또 “천일국 실현이 원선생의 일관된 생애였다”고 말하고, “원선생은 인종과 종교 등을 초월한 교차축 복결은(국제합동결혼사)을 제시하고 실천에 옮겼으며, 전 세계 3억6000만명이 교차축복결혼을 받음으로써 천일국 형성의 3대 요소 중 하나인 ‘국민’은 상당한 수준에 이르렀다”고 밝혔다. 김 교수는 이어 “가정연합은 천일국 실현을 영적으로 보고하는 국민의식이며, 천일국은 오는 불교 같이 누구도 막을 수 없는 인류의 현실이 될 것”이라고 전망했다.

이에 앞서 유경식 회장은 인사말에서 “종교는 평화로운 세계를 추구해 왔으나 본래의 사명에 역행해 분쟁과 갈등의 씨앗이 돼 왔던 것도 사실”이라며 “우리가 처한 인류를 평화로 인도하기 위해 종교가 주체적인 책임을 다해야 하고, 연대 활동도 강화해야 한다”고 역설했다.

손대오 회장은 “암울한 현실과 미래 전망 속에서도 절망하지 않고 끊임없이 대일의 이상세계를 믿고 추구하는 것이 종교계”라며 “종교가 이 근을 놓아버리면 인류는 폭력이 지배하는 ‘동물농장’에 살게 될 것임이 분명하다”고 강조했다.
