

# National Meeting

Prague, Czech Republic, 18. – 19. April 2015

*By Martine Masner, National Leader for the Czech Republic*

**O**n April 18-19 2015 the Czech Republic held a National Meeting. **Mr. Rainer Fuchs' visit** was the main reason, why we held it on this weekend. The goal of this National Meeting was, to reflect on ourselves, and to really become members of CIG. Around 45 Brothers and Sisters attended. Mr. Rainer Fuchs gave practical advice through his lectures, how to make effort, to work on ourselves. The change of the blood lineage, and how central figures in human history

risked their lives for it was deeply developed. We reflected on gratefulness **and on our True Mother's recent words:** Work with the mindset that i am grateful and i will do my best to develop all that i have. We also discussed happiness, and how, to be happy, is our personal choice. Usually, people realize this only, when they go to the spirit world, and regret **that they didn't work on it during their** physical lives. Mr. Rainer Fuchs also encouraged us, to learn, how to take the cross of love, and to apply a key formula: I forgive you. I bless you. I thank you. I love you. Then i let it go, and i am free.

On Saturday evening we also had Questions & Answers, so that Brothers and Sisters could feel free, to express themselves and ask questions. After the meeting, many members shared that this workshop was for them very important, and that they could get so many new insights.

We deeply appreciate the visit of Mr. Rainer Fuchs and his guidance to our Czech Brothers and Sisters. His regular visits over the past five years have greatly contributed to the stable situation of our movement in the Czech Republic.

Thank you, Rainer!
