Donations to this [GoFundMe campaign](#) will be truly appreciated to express our gratitude for the Masters'.

Henry Masters ascended to the Spirit World on Saturday 23rd May. He was truly a very special person who gave so much to support the Messiah's work on this earth. Mr. Masters dedicated his life to God's will, freely offering generations' worth of inherited property to help pursue True Parents' teachings, following absolutely the lessons taught through the Divine Principle.

Henry was born on 16th July 1926. Despite coming from a great background, he lived a life of humility and brought happiness with his warm, welcoming, and understanding heart towards everyone he approached.

His life itself was his message to us all to love each other and restore this world for God. We can't express enough how special he was.

We want to be able to show our gratitude towards the Masters' by being able to help or support them as much as possible, as they have done so much to help us. Without him, our UK community may never have had as strong a foundation and community as it does today.

Details of Seonghwa Ceremony

The Seonghwa Ceremony for Henry Masters will be held on Tuesday 9th June – 10:30am for an 11am start. Due to the necessary restriction of numbers, only the Masters family members, Dr. and Mrs. Balcomb and the organisers will be seated in the Hall, while friends and local community members are welcome to attend the service from outside the hall and will be able to hear the service.

All are invited to attend the Won Jeon Ceremony. Due to the preparation of refreshments, etc. we kindly ask that members register by Saturday 6th June – please contact: keiko.sfe@ gmail.com or 01793 766781. There will be signs marked "FFWPU" from the village road up to the Won Jeon for attendees to follow. Please dress formally, with sisters in white or light colours.

The Eye of A Needle: A Story of Faith

Last year, Valgas Moore created a short documentary about Henry and Avril Masters. It is based on Henry's autobiography, which is called 'The Eye of a Needle: My Life of Faith'. His book can be purchased on [lulu.com](#) and is described as "a remarkable record of his English country ancestors and his own life of dedicated service under the guidance of Sun Myung Moon".
