

Dear Blessed family members

I hope that everyone is excited about the upcoming Summer Workshop. We, the Camp Lone Star core staff, do our best to make each workshop better and more exciting than the ones before. We want the participants to have the most valuable experience through which they can grow internally and develop their faith and character.

However, a first-rate workshop cannot come about without any money invested into it. So we're asking you to help us in creating this wonderful workshop that our kids look forward to each year. We are sensitive to the many different economic situations that affect whether or not the youth of our District are able to attend Camp Lone Star. Generally, 20% of our income comes from generous donations made by the District 9 families and business owners. In the past, these contributions have allowed us to keep application fees as low as possible and provide scholarships for those participants who cannot afford to come without some financial assistance.

Currently, **Camp Lone Star has only received one fourth of the usual amount of donations it typically receives.** We are facing a difficult situation. We would greatly appreciate it if you could help Camp Lone Star by making a donation. Your donation will help Camp Lone Star provide the best workshop for the children of our community.

Our highest concern is that all youth have the opportunity to attend a life changing workshop and we want to do everything we can to make it possible.

Thank you so much for your constant support.
