The Only Begotten Daughter True Mother in the Words of True Parents

There are still a number of copies of the book "The Only Begotten Daughter True Mother in the Words of True Parents" available at the EUME Office.

This book is a theological compilation. It was developed by the True Parents' Words Research Committee, a group of university professors, to help contribute to the establishment of True Parents Theology.

This book consists of seven chapters. The main themes are: Heavenly Parents' dream, the birth and life of the Only-Begotten Son Jesus, Christian history and the prepared Korean people, devotion for the birth of the Only-Begotten Daughter, the birth and growth of the Only-Begotten Daughter, the manifestation of the True Parents and the completion of the providence of restoration, and the establishment of Cheon Il Guk. Each chapter includes corresponding words from True Mother.
