FFWPU-UK National Newsletter

ISSUE 02.05.26

This week's newsletter is a Holy Day special, featuring a message on the importance of attendance. We also share a warm welcome from Umberto Angelucci and Marilyn Angelucci as they begin their UK tour. In addition, this issue includes a member spotlight, highlighting the dedicated efforts of our brothers and sisters that may often go unnoticed.

National Director's Holy Day Message

You should live a life of attendance and encourage each other to be strong in doing so. Up to now, you received salvation through a life of faith, but from now on, you will find salvation

through attendance. If humankind had not fallen at the outset, you would attend God as your way of life.

Attending to God is something you do with your whole heart in your daily life. Wherever you go, you should always feel that your father is in front of you and your mother is behind you, and that Heaven is with you at every moment, to your right and left, above you and below you. When you, as Unification Church members, carry out your mission, your public responsibility in the church, you may run into difficulties that you cannot resolve on your own. When this happens, you should purify your mind, cleanse your body with a bath, and pray sincerely to Heaven.

When you pray, ask God for His guidance, and He will show you the way to go. If He does not, it is only because your heart does not reach the standard of God's heart; if it does, He will surely answer you. If you entrust everything to God and rely on Him when you face difficulties, keeping a prayerful heart, God will guide you in the right direction through your intuition.

(True Father, 1961.04.15)

Member's Spotlight – Serving With Heart In Africa

This week, we would like to spotlight the inspiring efforts of our sisters June Darby and Mieko Davies, who have recently travelled to Africa to support Heavenly Tribal Messiahship (HTM) missions in South Africa, Malawi, and Nigeria.

For Mieko Davies, joining the HTM mission to Nigeria was an opportunity years in the making. Although the chance came unexpectedly when another participant was unable to attend, she felt it was “something I had been working towards for years.” Travelling with Manfred Mayr, the mission focused on Abuja and Calabar. Highlights included being introduced to a national audience at the 25th Coronation Ceremony of the Brotherhood of the Cross and Star, visiting universities where students have begun studying Divine Principle, and exploring the establishment of the Collegiate Association for the Research of Principles. Reflecting on the experience, Mieko shared that the trip demonstrated how opportunities for witnessing are continuing to grow through international collaboration, helping to build lasting connections between communities.

For June Darby, her HTM journey brought both challenge and inspiration as she travelled through South Africa and Malawi. Welcomed warmly by local members, she was deeply moved by their kindness and practical support, even amidst their own challenges. In Blantyre, she was met by Ronald Mwambo and witnessed preparations for a large-scale Blessing, with members travelling from across the region to take part. Despite difficult conditions and visible poverty, June was struck by the faith and determination of the community, particularly their efforts to build a centre, run a bakery, and cultivate land to support their mission.

Through their journeys, both sisters exemplify a heart of service and faith in action, showing how HTM work continues to grow through dedication, courage, and genuine connection across cultures.
