North England *Community*

Last week, the North England Community welcomed a new member! 🏠

All of the team invested so much in him, and he wants to support the messiah who is on the earth (he said possibly through his art skills)

After he signed the membership form, he went out witnessing, and Jun bought him some new clothes (symbol for a new start) and gave him holy salt.

It was an amazing moment!

On Tuesday 22, North England Community made a devotion for True Mother and the Restoration of the UK! It was a very nice atmosphere.

Participating members and missionaries shared testimonies and experiences with True Mother. They sang together, prayed and bowed together.

Event

On Sunday, 27 September, members from across the country came together for the 2026 Hyojeong Cheonsim CheonBo Heavenly EUME Special Event.

The programme consisted of Chanyang Yeoksa, Ancestor Liberation, the Hyojeong Offering Ceremony for the Inheritance of Heavenly Fortune, and the Ancestor Blessing.

Many people took part, both in person and online. Throughout the day, a bright, uplifting energy filled the room as members came together and shared their hearts through prayer.

Throughout the event, we heard inspiring words from Bogdan and Yoshiko Pammer, Rev. In Pyo Moon and Krebsz Tibor, along with beautiful performances by Benedict V and Rhiannon D.

The CheonBo staff, UK volunteers and Chanyang team really put their all into making the event a fulfilling experience for everyone. It was wonderful to see so many second-generation members taking the lead and helping the day come together.

We are grateful to everyone who took part, both in person and online.
