Online Programme Hosted by EUME HJ Youth Academy

[Application Form](#)

Dear brothers and sisters,

The EUME HJ Youth Academy is pleased to welcome applications to attend Foundations, a 40-day programme on spiritual leadership for youth and young leaders aged 18-39.

In response to the unprecedented challenges of the last 18 months, the Europe and Middle East region has adapted courageously. Although some activities were interrupted, or even ceased altogether, new programmes emerged as opportunities were seized. True Mother continues to share a powerful message of hope, and raising young people is one of her key strategic priorities. The HJ Youth Academy has been established in response to True Mother's hopes and expectations.

The HJ Youth Academy aims to provide education, training, and support for current and future young leaders, so that they may effectively serve God's Providence led by True Parents and build Heavenly Parent's Holy Community. The Academy's first programme, Foundations will take place online between 15th October and 23rd November. Over 12 sessions delivered twice a week, participants will receive education relevant for spiritual growth. This will include world-class speakers from our global Unification family, regular assignments, an option to join a daily Hoon Dok Hae group, and a space for genuine fellowship with others across the EUME region.

Foundations is suitable for university students, young adults beginning to forge a career, and those accepting the responsibility of a public role in our community. The course will require approximately 8 hours per week and there is a 40 EUR registration fee.

To apply for a place on Foundations, please complete the [application form](#) by 10th October.

Further programmes from the HJ Youth Academy will be announced, but if you can't wait to fortify yourself, Foundations will give you the platform upon which you can make an impact in your community and the world around you.

Best regards,

Bogdan and Yoshiko Pammer
