13 staff members of the Hyojeong Youth Academy recently met in Gafrenz, Austria from February 2 to 4. The purpose of the meeting was to reflect on and evaluate the Academy's activities in 2023 and plan activities in 2024 and beyond.

Spirit, Truth and Games

Three CheonShim Won evening prayers featured the sharing of heartfelt testimonies and powerful resonating communication with our Heavenly Parent provided depth.

Time in the scenic nature surrounding the Gafrenz training centre and heated games of Ligretto and other board games rounded off the programme.

Six different programmes

The popular live online faith development course FOUNDATIONS will be back in autumn 2024. Also, registration for EMPOWER 2024/25, the one-year faith development and missionary training, is opening soon.

The 14-Day Divine Principle Workshop and the 21-Day Youth Pilgrimage are opportunities to connect in Spirit and Truth with life, the universe and everything, that you do not want to miss this summer.

Our support for HARP and Young Adults leaders continues in 2024. The support programmes for new national and community leaders takes on a new form under the leadership of Rafael Guignard. Additionally, we decided to launch an exciting mystery media project - stay tuned for more.

More opportunities

We are looking forward to expanding our team of staff and volunteers in 2024. Stay tuned for volunteering and mini-job opportunities in creative and organisational roles. Also make sure to check the weekly newsletter for our 2023 report.
