February 14, 2024

At the start of February, HJ Youth Academy staff members from across EUME, including the UK, met to discuss how 2023 went and the exciting plans for 2024. See below a report from Bogdan Pammer:

Thirteen Staff members of the Hyejeong Youth Academy met in Gafrenz, Austria last week, from February 2 to 4. The purpose of the meeting was to reflect on and evaluate the Academy's activities in 2023 and plan activities in 2024 and beyond.

Three CheonShim Won evening prayers featured the sharing of heartfelt testimonies and powerful

resonating communication with our Heavenly Parent provided depth. Time in the scenic nature surrounding the Gaflenz training centre and heated games of Ligretto and other board games rounded off the programme.

The popular live online faith development course FOUNDATIONS will be back in autumn 2024. Also, registration for EMPOWER 2024/25, the one-year faith development and missionary training, is opening soon. The 14-Day Divine Principle Workshop and the 21-Day Youth Pilgrimage are opportunities to connect in Spirit and Truth with life, the universe and everything, that you do not want to miss this summer.

Our support for HARP and Young Adults leaders continues in 2024. The support programmes for new national and community leaders takes on a new form under the leadership of Rafael G. Additionally, we decided to launch an exciting mystery media project - stay tuned for more!

We are looking forward to expanding our team of staff and volunteers in 2024. Stay tuned for volunteering and mini-job opportunities in creative and organisational roles. Also make sure to check the weekly newsletter for our 2023 report.
