Balkan SINERGY and Youth Assembly 2024

On June 3rd, Kosovo proudly hosted the Balkan SINERGY and Youth Assembly 2024 at UBT University's concert hall, bringing together 180 participants, including key representatives from academia, local and international NGOs, and special guests from the EU, Korea, and Japan. The event celebrated the creativity and talent of youth from Albania, Kosovo, and North Macedonia, showcasing ten innovative projects aimed at solving local challenges.

The highlight of the event was the competition of ten student-led initiatives, developed over six months, focusing on sustainable development. After a thorough evaluation, four standout projects were chosen. These projects will be implemented from October 2024 to April 2025, demonstrating the ongoing impact and commitment of SINERGY to fostering meaningful change and will represent the Balkans at the SINERGY event in Budapest, Hungary this October.

Highlights from Lebanon's First-Ever SINERGY Event!

IAYSP Lebanon proudly hosted its first-ever SINERGY event, following four successful Peace Designer Training cycles held across the HJ Peace Embassy, CSM School, and Tyre Community School. The event showcased the talents of six innovative teams, all winners from previous training cycles.

The winning project, FiYE (Future-Innovation-Youth-Entrepreneurs), aims to guide young people in discovering their passions and career paths. The team, awarded a 300 USD cash prize, will represent Lebanon at the upcoming EUME SINERGY event.

Other notable projects included "Her Work Revolution", focused on empowering Hijabi women, and "COM Catalyst", which aims to equip youth with leadership skills for purposeful lives. A panel of diverse judges from NGOs and educational institutions evaluated the projects.
