

FFWPU UK: Nominations Open for this Year's Grace Miller Hyojeong Award

Bogdan Pammer
May 17, 2025

The Grace Miller Hyojeong Award celebrates an exceptional young member of the FFWPU community for their heart, effort, and accomplishments in the past year.

Originally established in 2001 by Tim Miller in memory of his mother, Grace Miller, this award honours her deep heart for God, her maternal love for the community, and her genuine care for the younger generation. Grace joined the Unification Movement at the age of 56 and dedicated the rest of her life to a path of faith and service. Her legacy lives on through this annual award recognising outstanding Blessed Children and Unificationist youth.

To bring renewed relevance and impact, the award has been updated and renamed the 'Grace Miller Hyojeong Award' - "Hyojeong" meaning a heart of filial love and devotion. This update aims not only to celebrate youth for their faith and service but also to actively support their personal and public journey.

What's New?

This year, the award will not only include a trophy and personal gift, but also a sponsorship or grant - designed to help the recipient continue their faith journey. This could support participation in a workshop, pilgrimage, or a community project of their own initiative.

To further involve the community, nominations will be collected both online and in person via a paper form at the upcoming Holy Day gathering.
