A promotional poster for an online marriage enrichment course. The background is dark blue with a pink arrow pointing right. The title 'ONLINE MARRIAGE ENRICHMENT COURSE' is in large white letters. Below it, a subtitle says 'Designed for couples who wish to enrich their ability to work together as a team'. A paragraph describes the course: 'Over the course of 7 evenings, you will do quizzes, learn something more about the art of loving well, have group discussions, have time to share together as a couple, and much more – using the 7 Principles of Creation Marriage Enrichment Workbook'. It lists the schedule: 'Every Sunday 9-10:30 pm, Starting June 29th', contact info: 'Phone Stephen: 07857110257 for more info', a Zoom link: 'https://us02web.zoom.us/j/7618346451', and a password: 'Password: 1'. On the right, there is a photo of a couple, a book cover titled 'The 7 Principles of Creation Marriage Enrichment Workbook' by Stephen Stacey, and a yellow 'Sign Up Here' button.

### The Online Marriage Enrichment Course.

**Sundays, 21-22:30 - June 29th to August 10th**

This course seeks to enhance the ability of couples to work together as a team. Over the course of 7 weeks, attendees will use the book: "The 7 Principles of Creation Marriage Enrichment Workbook" as a resource. Spouses will receive some education, learn from other participants in a group setting, do some quizzes together so they can understand each other better, and have time to talk together as a means to create a deeper sense of unity. It is to be noted that this is an experimental course, aimed at seeing if this new BFD resource book can be used to support couples in an online setting. Let us enrich our blessings together.

### Basic requirements:

- To get the most out of the course, ideally both partners need to attend together. However, individual partners can still learn a lot from the course.
- The attendees must have at least one copy of the book: "The 7 Principles of Creation Marriage Enrichment Workbook", but if blessed partners both have their own copy; this would be better.

### Basic Outline of the course:

**Week 1:** Welcome remarks, understanding the group rules, reading together, followed by personal homework.

**Weeks 2-7:** Educational reading from the book, followed by group discussion to learn from each other. During the final 30 minutes, the couples that are attending together can discuss a specific chosen topic in private to see if they can come to a higher level of unity. If they request, a facilitator can sit in on their private discussion, hopefully allowing for improved levels of dialogue. If you feel you would like such support, please let Betty Moloney know so we can organise the facilitators. [betty@ffwpu.org.uk](mailto:betty@ffwpu.org.uk). Those spouses who choose to do so can log off after an hour and discuss in the privacy of their own home.
