Our Reason for Being

In this video and letter Bogdan Pammer gives an overview of FFWPU's reason for being.

Dear brothers and sisters, members and friends of FFWPU-UK,

As we begin our three-year term as national directors and launch a major recruitment effort for FFWPU-UK, we would like to provide a brief account and outline of FFWPU-UK's reason for being. FFWPU-UK will organically develop, improve and grow with your ideas, dedication, and input. We are looking forward to working together with you.

Our Vision: God's Dream - One Family

Our Mission: Blessed Families

Our Theory of Change, how we want to bring the desired change in the United Kingdom and beyond:

God's Dream becomes a human reality when Blessed Families build communities of true love.

To bring about this change, FFWPU-UK engages in eight different types of activity:

1. Attend to True Parents by contributing to their global efforts for peace and reconciliation.
2. Support youth and single adults to discover God's Three Great Blessings as a life goal, prepare for the Holy Marriage Blessing, and build Blessed Families.
3. Share the Holy Marriage Blessing with married couples of all backgrounds and faith traditions.
4. Develop communities of Blessed Families across the United Kingdom.
5. Provide education for individuals in different age groups and life circumstances to grow in God's Three Great Blessings.
6. Support blessed families to transform their neighbourhoods and communities as Tribal Messiahs.
7. Partner with NGOs and faith communities to provide services and support for children and parents in underserved communities.
8. Promote the family as the school of love and advocate for policies that recognise the family as the cornerstone of social and economic development.
