### So much is happening!

**What's the 411 on campuses?** CARP was represented at **10** 'club fair' events this semester. Since then, chapters have started their first club meetings and dived into their regular events!

Some Highlights:

- **CARP Olympic College (WA) became an official club on campus on September 27th!**
- CARP Indiana held their first meeting on campus! (*see picture above*)
- CARP Bay Area held their biweekly program, IGNITE, on campus for the first time this past month!
- CARP Las Vegas had their first monthly two-day Principle Retreat of the semester!

Seeing so much CARP activity gives us **hope** - when students live for the sake of others, hearts are touched and attitudes change. CARP students are igniting hope through being a true students that share the Principle with others.

## We're Looking Forward to...

### Monday Night National Calls

Every Monday, CARP HQ hosts a call at 9PM EST for all of our local CARP leaders to stay connected and to develop themselves as true leaders.

It's just one of the ways students get the support they need to make a real difference on their campus.

## Cypress Colloquium

CARP LA is hosting a rally on Cypress College Campus on **October 12th!**

They hope to bridge the gap between professors and students by providing a space for them to come together. The plan is to leave them inspired and excited to change the way things are done on college campuses. Stay tuned.

## CARP Las Vegas October Two Day

On **October 19-20**, CARP Las Vegas will hold their monthly Two Day Retreat. This retreat goes in depth into the Unification Principle where students can experience a new perspective towards life, while enjoying the company of brothers and sisters.

Through the presentations, discussions, and bonding activities, students gain insights into truth and experience a new depth of love. Stay tuned!

## Utah Peace Road

CARP Salt Lake Community College may still be a chapter in development, but they are making waves on campus!

CARP President, A. Kuhlmann, is planning a Peace Road event where CARP, Youth and Students for Peace (YSP), and other partners march on campus and make a stand for peace. Way to get CARP's name out there!

Stay tuned.

## Love and Fidelity Network

Coming October 26 - 27 in Princeton, NJ: CARP will be attending the [Love and Fidelity Network](#) for their annual conference at Princeton University called, "Sexuality, Integrity, & the University."

We encourage college students and educators to attend to network with other students standing for marriage, family, and sexual integrity. [Find out More Here](#)
