December 2018

You Are Amazing!

Thank you for your support and for bearing all of the Giving Tuesday reminders last week. We had a successful launch into the Giving Season with **\$6,000+** raised and **70+** donors (and counting)! We so appreciate everyone who makes CARP's work possible - from the donors, to the students, to the mentors, faculty advisers, volunteers, and more.

If you didn't have a chance to give on Giving Tuesday, there's still time. Everything we raise from now until the end of the year goes to 2019 student programming and long-term sustainability. [Donate here.](#)

We'd love to connect with each one of you by the end of the year to see how we can better serve our students together. Feel free to reach out to teresa@carplife.org with any feedback or suggestions.

Students are now in finals season (wish them luck and cover a meal or coffee for them if you can!). Celebrate their successes and learn about Winter Break regional CARP retreat opportunities listed below.

Whether an enrolled student or a student of life, let's finish the year strong.

With gratitude,

Teresa Rischl
President, National CARP
