**SEASON OF JOY**  
Wishing you the happiest holidays!

We wish you a Merry Christmas, a Happy New Year, and a wonderful holiday season. This time can feel so busy, yet the power of kindness, love, and a "conversation that matters" can really bring out people's best selves.

Let's spark the season of joy by GIVING.

Some of the most powerful gifts include forgiveness, patience, presence, hope, and unconditional love. It's a great time to look to our role models such as Jesus, Martin Luther King Jr, or our Founders, Father and Mother Moon, to learn how we, too, can live for the sake of others and love at a higher level.

With love, peace, and gratitude,  
The National CARP Team

# Empower Students to Shine on Campus

Donate

Help Students **BE THE LIGHT**  
that Shines on Campus...

School today is not what it used to be. Students experience pressure on all sides: academics, peers, family, society, etc. It's easy to get lost in the crowd, to

not stand for the principles that matter. *But principles, like "Live for the Sake of Others," DO matter.* It matters that we think beyond our own self-interests. For students like **Marcus**, it's made all the difference in his growth, health, and outlook on life. **Help more students like Marcus experience hope, freedom, and clarity.**

Your donation sponsors CARP chapter support to empower students to BE THE LIGHT, in an often "gray," relativistic world. Your donations provide tools and trainings to students to articulate their principles in life so they can make a positive impact any place they go: at school, at home, with their families, at work, etc. Your investment in young people is an investment in the future.

Help students to **BE THE LIGHT** on college campuses - where ideas and principles are seeds that develop throughout life.

Make a difference to students like Marcus by donating today.
