9th Cross-Cultural Exchange Forum

Sep.13 (Sun) 2:30pm Open

Theme

Role and potential of youths for making multicultural society happen “Let’s start Glocal Youth Project!”

In the era of globalization, we need to provide opportunities for Japanese and people from outside Japan to create network and understand each other’s culture. The purpose of organizing the 9th Cross-Cultural Exchange Forum is to encourage foreign nationals, who participated in the Multicultural Exchange Festival at Shakuji Park, Tokyo, in August 1st, and Japanese youths to build global perspectives through thinking and discussing about role and potential of youths for substantiating multicultural society. We hope to think together and hear your thoughts about launching Glocal※ Youth Project for energization of local communities during sessions of presentation and discussion. (※ Abbreviation for a phrase, “Think globally and act locally.”)
