New Episode

The Real Reason I Do This... (My Blessing Story)

Benjy has shared about the Blessing for years, but has never fully shared why.

In this episode, Benjy tells the real story behind it – the struggles, unexpected turns, and moments that made him realize this isn't just something he talks about... it's something he's given his life to.

If you've ever wondered what the Blessing really means, this is for you.
