Dear beloved brothers and sisters,

As many of you have heard about the news of the current situation in Afghanistan, our country is going through so much turmoil and unrest. The scariest part of it for many inside the country including our members is what will come NEXT?

At present we have a few Blessed Couples and others that are in the process of receiving the proper education for the Blessing, still inside

Afghanistan. Also, there are many single members that have supported our True Parents and our providential activities for many years that are hiding for fears of being found by the Taliban soldiers, who are searching inside their homes or their businesses. These precious brothers and sisters need our help.

Currently the banks and all financial institutions are closed but there is news that they will be opened soon. But because of this very unexpected situation that unfolded inside the country a lot of people lost their jobs and their mainstream income including our brothers and sisters.

I am reaching out to all of you to please consider donating to help our brothers and sisters in time of need. Any amount at this moment could save a life and give them hope not to give up.

We are arranging with our Europe and Middle East (EUME) HQ to raise funds and all your donations will be kept with the EUME HQ until we find a way to send it to our brothers and sisters inside the country or to those who also left the country to neighboring countries such as Pakistan. They need

our support at this time of danger and stress to help support their relocation and livelihood during this time.

I will be always grateful for your support, love, and your prayers for Afghanistan. We will win this challenge together. Please donate for Afghanistan and literally save a life.
