Dear Brothers and Sisters:

The Philippine Family would like to express its deepest sympathy to all those affected by the recent calamities that distraught the nation of Japan causing a great deal of loss and damages to its people and properties.

We are all praying for the safety of all blessed families there and wishing that we could all go forward with hope and determination so we can continue with our mission to realize Cheon Il Guk by 2013. As the 2nd Daughter Nation, we truly feel the heart of Japan, our Mother Nation, who has to pay a great deal of indemnity in this age of transition. We long to share your burden and please be rest assured that our prayers are with you at all times.

After all the tribulations, Heaven will surely shower you with great compassion and blessings. With all brothers and sisters' sacrifices and shedding of blood, sweat and tears, True Parents are starting this incredible investment in the Philippines through the development of the International Peace Leadership College in Tanay, Rizal. Our True Parents are pouring out their heart, love and resources in order to raise up global leaders through the IPLC. True Father's vision is that "the International Peace Leadership College will be the Heavenly West Point of Cheon Il Guk Era that will nurture and produce the indispensable heavenly soldiers." True Parents are investing USD 3 million to expand the campus facilities, and the institution is being brought up to the level of a university.

Last March 13, 2011, we held the grand groundbreaking ceremony for the new IPLC buildings and it was attended by top leaders of our international movement, local government leaders and religious leaders as well as representatives of different government and non-government organizations. As what Rev. Peter Kim has mentioned, "From the providential point of view, at this time in history, the mission of the Philippines is more important than ever before."

We pray that despite the trials that we all our facing this time, we can go over everything and remain victorious in the end. Thank you for all your sacrifices. Let us all move God and the spirit world so we can give the best offering to our Heavenly Father and True Parents.

May God and True Parents' blessings and protection be with you and your families.

Sincerely,

REV. ROLANDO C. BASUIL, JR.
