Dear New Hope Family,

Good meetings are incredibly crucial for any organization. **Difficult decisions** can **divide** even the **closest friends**. **Good meetings** and **decision-making** can make the **difference in achieving goals** and having **inspired, connected, and effective team members** and **volunteers**. Therefore, the New Hope Family Council and **invites ministry leaders and volunteers** to attend *a **special training seminar on facilitation and consent-based decision making*** on Sunday, February 18, 1 - 5 pm.

As a real decision-making case, the seminar will begin **forming a task force to research options for a long-term New Hope Family future site** for worship, meetings, seminars, workshops, outreach, events, and more. This building task force **would present their recommendation to the council and the pastor**, who in turn would present their proposal to **the congregation**.

To preserve the quality of the discussion and training there is a **limit of participants on a first-come, first-served basis**. The seminar will take place on Sunday, February 18, from 1- 5 pm at the Wilkening residence, 13407 United Lane, Bowie, MD 20720. A love offering is encouraged to cover the cost of the seminar (\$30 recommended). Please **RSVP by this coming Sunday, February 11**, by email to nhfccouncil@gmail.com. Thank you!

God Bless you !
