

ACLIC Prayer Breakfast May 26th 9am Melford - Please Invite Clergy and Leaders

Jim Boothby
May 12, 2018

Please Invite Clergy & Leaders to Our Local ACLIC Prayer Breakfast

As you may have heard, as of last year, after the Madison Square Garden Rally, True Mother was inspired about American Christianity coming out for True Parents and challenged America to work more substantially with Christianity. The major goal is bless thousands of couples right in the churches!

We have a plan to do a Clergy and Church leaders Prayer Breakfast every month in our area. We have done 3 successfully, with around 30 people at each. We would like to invite any of our local membership to invite ministers and/or church leaders you know to our next one; May 26th, 2018 from 9:00 - 11:00 AM right here in our own, beautiful sanctuary. Please [CLICK HERE](#) for a suggested invitation letter and flyer.

Monthly Prayer Breakfast and Discussion Forum Sat. May 26th, 2018, 9-11 AM

ACLIC is a nationwide organization of pastors and faith leaders with the express purpose to
*"Rebuild the Family, Restore the Community,
Renew the Nation and the World."*

Networking, Vision Casting and Empowerment

Meet with a diverse group of faith leaders to address the pressing issues of the day facing our churches, communities and the nation. Don't miss this unique gathering!

Dear <name>,

I would love to have you as my guest at this month's *American Clergy Leadership Conference* Prayer Breakfast this month, Saturday, May 26th, 9:00 AM in Bowie, MD. We are an interfaith gathering of clergy and volunteers concerned with improving family life in our communities and forging an interfaith effort to strengthen the effectiveness of churches to address the problems we face. This month's topic is, "Empowering Our Youth With Biblical Principles." We will have some time for worship and prayer, then a short talk on the topic by one of the clergy citing scripture, and then round-table discussions where things really light up and the power of working together starts to build.

Please see the attached flyer for details. Here is a smaller graphic version:
