Dear New Hoppers...

10,000 Person Rally, Here, this Fall !

GROUP EFFORT OF US ALL ! Yikes ! Although we do not have a concrete plan yet, we do know **we will hold a 10,000 person rally in the DC area sometime in the Fall.** Our District (Mid-Atlantic) will host in cooperation with the entire sub region and East coast. This will obviously be awesome, very historical event that will challenge us all to the limit, and will require an overwhelming effort from every single one of us .

At a venue and size of the MSG event last July in New York City

******Verizon Center in Wash DC...a possible venue for True Mother this Fall***

URGENCY OF MOTHER Though some of us cautioned for more time and "foundation building ", apparently True Mother herself and Dr Kim and all the senior leadership strongly and prayerfully felt the time to make a strong condition on behalf of Heavenwas **now**. God Almighty will work even on short notice and already major groups are making beginning commitments to participate. That's great. We are all well familiar with True Father's habit & pattern of pushing us to do crucial Providential events (MSG, Yankee Stadium and Wash Monument) on ridiculously short notice. God always worked.

SHORT FUSE !Going beyond even common sense considerations , in complete unity and effort is often the more important condition to allow God work , than the considerations of time prep a normal person might consider . It is a new age, and new and wonderful things are possible.

WORLD RESTORATION True Mother will be the featured speaker and this event is part of our offering to support **world restoration**. True Mother and our movement can use the success of our program here to gain greater influence around the world. As you know, CIG needs land and and people and we can contribute significantly to providing people who know True Parents.

OUR TRIBES Please encourage everyone, friends family and others to make note of this upcoming event and plan to attend with relatives, friends, and as many of your tribe as possible (on a Saturday). It may be in a public arena or, we may be able to use a MegaChurch 10,000 seat facility to host True Mother.

Stay tuned .

MEAN TIME; PLEASE JOIN US in outreach efforts to reach more churches. We need your help. Please Contact Rev Schaufler to get involved. This month's humble Prayer Breakfast, for the first time, goes to a whole new level and will be at Bishop GA Stalling's beautiful Imani Temple Church in Suitland ! With him as the featured impassioned speaker! Bring a minister please!

God Bless You and your Family
