Combined Service with New Hope and Nova churches

7:00- 8:00 pm, Click - [Zoom](#)

Combined Service, 2nd Time, with New Hope and Nova churches. Whereas last week, NoVa joined NHFC for Rev Patton's message, this week we shift gears and join NOVA for the next in their Mid-Week Testimony Series, a series of highly interesting testimonies of members personal live of faith. Tonight, we'll hear [personal testimony and life story of long time older member:

Kenton Stanley Marks
Amazing Testimony

Depending on how this goes, Maybe we will want to consider a testimony series sometime, as well. Should be fun to see them, again, "face to face". Starts on time, and if you're really energetic, and want to "work", **come on 5 or 10 minutes early for the warm-up prayer-prep time to support the speaker.**

See you tonight. Thanks.
