Dear Family,

Everyone * Please * 12 mins * 3 Final Days to Election* Jeongsung & Prayer

A historic 2020 election for the US President looms Tuesday. The pre-eminent nation-leader will be decided in 2 days. A globally impactful decision.

As Dr.Yong explained this morning, our devotion and Joengsung (devotion and prayer) makes the difference as to how Heaven can work. Even when HP desires something, the availability of our jeongsung, like cash in a checking account, makes the difference. Our spiritual effort is the gasoline. More decisive even than human "practical effort".

With that in mind, we are calling for 3 final days of prayer. That Heavenly God's Will be done on Tuesday.

At today's meet up, despite smaller conditions going here and there, we collectively agreed to end this season t with church-wide prayer. To pray in either of 2 ways.

EITHER:

- 1.) **Individually** - Everyone individually or with family offers 3 final days, of 12 minutes of prayer. Your timing and style.
- 2.) **Group** - Or if preferred and you see in time, please come on 3 nights (Sun, Mon, Tues) a collective prayer at 9 pm offered for the experience together. (short)

As Mother said- our job - to elect the Presidential candidate who can:

- a.) Stand for and support traditional Christian and family values
- b.) Support and work for the reunification of N and S Korea.

Please excuse and apologies for the very short notice. If you see this only late, no worries, just freely modify as to fits your schedule.

Thanks, Everyone.

God bless you!
