

## New Hope Family Church: True Mother is in Las Vegas for Global Rally of Hope

**Dear NH Brothers and Sisters,**

True Mother is here America in Las Vegas! She's preparing intently for this weekend's WCLC Convocation and global Rally of Hope on Dec 5th, Sat, 8 pm EST, which we're all invited to.

Don't fail to dial in, for either all, or part of this weekend's events. It's good stuff!

It was just one year ago that we worked together with our True Mother to bring thousands of Christians and religious people to the Prudential Center to take part in and witness the historic establishment of the World Clergy Leadership Conference with the mission of bringing about a Heavenly Unified World centered on God as our Heavenly Parent.

Once again True Mother is calling us to reach out to Christianity and work together to fulfill the God-given destiny to lead America in attending God as a Heavenly nation. As you recall, that closed the 7-year course, and shortly thereafter upon the foundation of that WCLC inauguration and launch, Mother declared America "**Heavenly America**" and a victorious nation.

Let's continue to, dig deep and invest in our Christian brothers and sisters, as well as offer our prayers and jeongseong for the success of this rally. It's a great and exciting time to revive ourselves and America through the new spirit and truth that our True Parents bring!

Many blessings to you and yours in this coming week.

*Sincerely,*  
*Pastor Jim*
