

Toast of Conjugal Love and Fidelity in Moldova

Mihai Calestru - February 1, 2019

On February 1, 2019 FF of Moldova held a joint cultural event supporting the introduction of the Eurasian Creative Guild in Moldova whose representative in Moldova happens to be our partner.

The informational part was followed by the cultural program dedicated to Love, Marriage and Family. It made the atmosphere very warm and heartistic. So at the very end the very needed element (according to the lady organizing the event) was the Toast Of Conjugal Love and Fidelity proposed and organized by FF of Moldova. In total about 12 people received the wine, among them one couple.
